

RIVERBRIDGE REVIEW

Autumn Term

Week 7

20th October 2023

'Patience is a virtue' is an old proverb that many Riverbridge families may already be aware of. Patience is certainly something that children need to understand and recognise as things don't always happen when we want them to.

For parents and carers there is always a degree of patience required at the beginning and the end of the day – particularly around driving to school and parking around the school site. This week I had a lengthy conversation with a parent from our neighbouring school who recounted an incident which occurred towards the end of Park Avenue where she was verbally abused. Obviously, this could have been a parent from either Our Lady of the Rosary or Riverbridge or indeed a resident of the road. Either way, being aggressive and abusive is not an effective way to communicate. I advised the parent to share her concern with the police and I am sure that I will hear more of this over or after the half term.

Parents were certainly patient on Thursday at Park Avenue as there was a delay in opening the gates at the end of the day. This would have caused frustrations no doubt so thank you for your understanding here. This can happen from time to time especially when staff are ill or redeployed and we are sorry for the inconvenience.

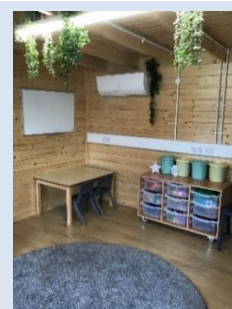

Another need for patience is when picking up from the classroom doors on both sites. Class teachers will recognise the vast majority of parents and carers quite quickly but there are times when the password list needs to be referred to. The class teacher has a responsibility in this instance to do this job carefully and accurately. The priority is not to do this so quickly that mistakes are made. I am sure that all parents, carers and extended families will understand the safeguarding implications here.

Being Active - One of Our 8 Great Ways Of Being Our Best

The PTA have worked hard to help fund The Blue House

Today has been a positive day of celebration. The gold leaves were shared as normal as well as this half term's Being Our Best Awards. The children can be rightly proud of their efforts and I hope everyone enjoys reading the reasons for the awards that are attached to this week's Review.

As we are reaching the end of the half term – we are saying goodbye to a number of children who are leaving to attend school's elsewhere. We wish them well. We are also welcoming Miss Osborne who has joined the team at KGB. We are sure she will settle in quickly and have a positive impact on the Riverbridge community.

Please remember that the first day after half term is an Inset Day. The children return to school on **Tuesday 31st October 2023**. We look forward to seeing you all then.

Dropping children to school

Whole School

Please can we remind parents that children should be dropped at the school gate at Knowle Green and Park Avenue unless you have a very specific reason to go to the classroom door. Building the children's independence is an important life skill that we are encouraging with this process as well as ensuring teachers are able to focus on welcoming the children to class and starting the school day.

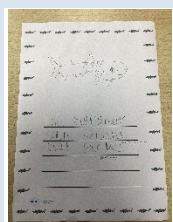

Annual Parental Survey

Whole School

If you haven't already, please could we ask you to follow this link to share your views of Riverbridge. All feedback will be used to help develop our provision <https://forms.gle/ff85dX5nqQuTYrXg6>

Learning

Year 1

The children in Year 1 have enjoyed observing and examining a real-life Tiger Shark jaw in class! The children were very inquisitive and were asking lots of questions about what animal it belonged to. They then researched Tiger Sharks and created their own fact pages!

Football

Year 5 & 6

Following the recent football trials for Years 5 and 6, we are pleased to announce an A and B team for both girls and boys to represent Riverbridge in Spelthorne events. The selected children will have the opportunity to play against local primary schools in the borough. If your child has been chosen to be in one of these teams you will receive separate correspondence from the office after half term.

Training will take place at Wednesday lunchtime for the boys' A and B teams and Thursday lunchtime for the girls' A and B teams. Please ensure that the children bring the correct kit to school on this day after half term, including trainers or moulds and shin pads.

We are lucky enough to now take part in intra-trust competitions for a range of sports, therefore, there will be other opportunities for a range of children and year groups to represent Riverbridge.

We would like to remind children and parents that team selection is dependent on green behaviour being shown both at school and whilst representing Riverbridge.

Stay, Play & Learn Sessions

Nursery

During the week of the 20th November we would like to invite parents to come into the Nursery to participate with your child's learning and activities. Unfortunately, due to space in the Nursery, we are only able to invite one parent per child and kindly ask you to make alternative childcare arrangements for siblings.

These sessions are a great way for you to spend some time experiencing how your child is learning in the Nursery and for you to join in with some fun activities. Dates do book up quickly so please sign up as soon as possible using one of the Eventbrite links that were emailed this week.

If you have any questions please do not hesitate to contact any of the nursery team. We look forward to welcoming you into the Nursery soon. We will be holding more sessions in the summer term.

Stay, Play & Learn Sessions

Reception

On Monday 13th, Tuesday 14th and Wednesday 15th November we are inviting parents and carers to join us for Stay, Play and Learn sessions. This is an opportunity for you to experience a morning in Reception. As we have limited space in our classrooms we can only accommodate one parent/carers for each child and a maximum of 10 people a day. If you haven't already, please sign up using one of the Eventbrite links that were emailed earlier in the week.

Stay & Learn Sessions

Year 1

Family Learning in Year 1 is a great opportunity for a member of the family to come in and experience a lesson in their child's classroom. You will get the opportunity to watch a carpet time session before engaging in a range of activities with your child. These activities are aimed at supporting your child with

their phonics knowledge and applying this in their reading. As always, we ask only one parent/carers for each child to attend. If you haven't already, please sign up using one of the Eventbrite links that were emailed earlier in the week. We look forward to welcoming you into our classrooms, The Year One team.

PUMPKIN POWER

RECYCLE YOUR PUMPKINS

after Halloween
using our food waste recycling service

Did you know that your pumpkin could generate power?

In Spelthorne we recycle food waste to generate electricity and make fertiliser.

Every year about 8 million pumpkins are thrown away after Halloween – that's a lot of electricity that could have been generated!

To recycle your pumpkin after Halloween put it out with your food waste bin on your collection day, it doesn't need to be bagged up, just put it on top of the bin.

If you don't yet use our food waste recycling service, don't worry, you can still put your pumpkin out on top of your normal bin and we will collect and recycle it.

Why not think about giving food recycling a go? It's a free collection that goes every week and we even give you the bins for free too!
