

# RIVERBRIDGE REVIEW

Spring Term

Week 5

2<sup>nd</sup> February 2024

There is never a dull moment in a primary school and this week we have had to overcome a few obstacles. On both Wednesday and Thursday, the children (and staff) at the Knowle Green Base had to cope with some disruption to the electricity supply. On Wednesday this meant the Reception children spending some time together in the hall rather than their classrooms. I am always based at KGB on a Wednesday for the whole day and I was so impressed with how sensibly the children got on with the morning. I was also very grateful to all the staff for rolling up their sleeves and making the morning as normal as possible. This was unfortunately repeated on Thursday. Thanks also goes to Mrs Williams who was forthright and tenacious in making sure our electricity suppliers got on and fixed the problem as promptly as they could.

Next week will be an important one as we host the second parents and carers consultation meetings. I am hopeful that you will all have booked these important meetings already but if not – there is still time to contact the office on Monday to do so. Thank you in advance.

**5G collaborating during science**

**NSPCC Digits Day**

**Our netball team**

There is a section below which mentions the Times Tables Rock Stars battle taking place in Year 4 across the Lumen Trust and I am able to share the definitive results.

Riverbridge were the 2<sup>nd</sup> best school in the LLT scoring 232 103 points. In terms of pupils, Isaanvi A came 2<sup>nd</sup> overall with Joseph W coming 3<sup>rd</sup>. Finally, and very excitingly, 4T were crowned the overall best class across the LLT schools – scoring a whopping 159 411.

I must say that I am rightly proud of the efforts the children have made and also how they have helped to develop and hone their times tables knowledge at the same time! Great job everyone!

I hope that you will all remember seeing the section last week which talked about 'Riverbridge Recommends.' which gives you an opportunity to share your (or your child's) book recommendations. We have currently received only 2 responses! I am sure that many of you are waiting till half term to complete this. I look forward in advance to reading these. As a reminder – the link to the Google Form is included again below:

<https://forms.gle/aN6636mBDtkTpSdt5>

Finally, the term dates for 2024-2025 have been attached to this week's Review. There are two versions – it might be worth printing one of them off and 'sticking to the fridge'!

## Stay, Play & Learn Sessions

## Digits Day

## Year 2

In 2G today the children investigated different ways to sort addition and subtraction number sentences. They then noticed they could begin to make a connection between the quotient of the previous number sentence and the add end or minus end of the next to create a train.

## Parking

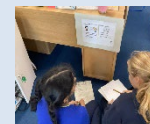

## Whole School

Unfortunately, once again we have been contacted by our neighbours including those roads surrounding Commercial Park about inconsiderate parking. Please can you take the time to ensure you are not obstructing driveways when parking.

## Digits Day

## Year 4

Today, Year 4 have been enjoying some problem solving for Number Day! The children have worked collaboratively to use their reasoning skills, arrested a suspect in a missing trophy number problem today and have taken part in the Year 4 Times Tables Rock Stars battle!

## World Book Day

## Whole School

Children will be invited to dress as their favourite book character on Thursday 7<sup>th</sup> March. For children in Hedgehogs, dress up day will be Monday 4<sup>th</sup> March. If your child has PE on Thursday, please ensure they will be able to take part in their outfit, or if necessary they can bring in their PE kit to change into.

## Internet Safety Day

## Whole School

Next Tuesday is Safer Internet Day. There are many activities for the children to do but it is also great to get parents and carers involved, too. Eduthing and Sue Atkins, a parenting coach, are hosting a free Zoom seminar on how to keep children safe online. The link for more information and to register a place is: <https://us06web.zoom.us/joining/register/tZMvdOuorzouHdeTkX5NMfzmrpqC-DsCRLQo#/registration> A leaflet is also attached to the end of the newsletter.

## Science

## Year 5

This week in Science, Year 5 have been investigating air resistance. The children made parachutes to test the effect of air resistance and how to make it bigger or smaller whilst thinking about fair tests. Year 5 showed they were great thinkers – one of Our 8 Great Ways to be our best, and enjoyed working as a team.

## Netball Tournament

## Year 5 & 6

For a team who has only played together twice before, our netball team all played admirably at their tournament last week. The girls fought through every game with a smile on their face, cheering each other on and their positivity was acknowledged by the external umpire.

## Enrichment Clubs

## Reception – Year 6

As a reminder, due to the parent consultations next week, there will be no Enrichment Clubs on Tuesday, Wednesday and Thursday after school. Original clubs letters can be found on our website [here](#) if you would like to refresh your memory on details.

## Marvellous Me App

## Whole School

Marvellous Me is an easy way for teachers to share information about your child's class learning and reminders about future events planned. If you haven't yet signed up, please speak to your child's teacher at your parent consultation meeting.

## World Book Day Workshops

Year 3 - 6

West End in Schools will be holding special World Book Day workshops for children in KS2. Guided by expert drama teachers, children will explore a book by embodying the characters and reimagining the story's world. The workshops will take place on 28<sup>th</sup>, 29<sup>th</sup> February and 1<sup>st</sup> March during the school day. Thank you for to the PTA for funding these.

### Thanks for all your Bag2School contributions!

A big thank you to everyone who donated clothes bags to our collection this week. We managed to collect an incredible 322kg which Bag2School will convert into money to go towards our fundraising target. The clothes are collected, reused and recycled. We'll update on the amount of money raised once we have confirmation from Bag2School.

### Can you help with our PTA Sweet Sale? - Friday 9<sup>th</sup> February

We'll be selling sweets in the playground at both bases right after school on Friday 9<sup>th</sup> February. Cash and card sales will both be available. We still need volunteers at PAB from 2.50pm. It's no problem to have your children with you, including younger siblings, provided you can still help sell the sweets! Please email [pta.riverbridge@lumenlearningtrust.co.uk](mailto:pta.riverbridge@lumenlearningtrust.co.uk) if you can help spare some time.

### Get ready for our Sponsored Leap

To celebrate leap year, we're running a Sponsored Leap during the week of 26<sup>th</sup> February that every child can take part in during PE lessons. The children will be able to complete challenges like hopscotch, jumping like a frog or hopping on one leg. It will be lots of fun and help the school to raise money towards this Year's £15,000 PTA fundraising target. Look out for more details and sponsor forms coming home in book bags next week.

### Run the Staines 10K for Riverbridge PTA- 12<sup>th</sup> May
