

RIVERBRIDGE REVIEW

Spring Term

Week 6

9th February 2024

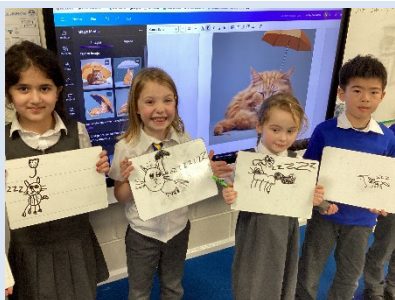

The parent consultations this week seem to have gone well and were well attended by parents and carers. There will be a couple of these meetings which will need to be rescheduled for after half term due to staff sickness – if this affects you please make sure that you look out for the email which explains the change of date.

Obviously, for those parents that were unable to book, or who were unable to attend their meetings, it is essential that these are also re-booked for after half term.

Thank you in advance.

One common theme this week has been sickness. Quite a number of children and staff have fallen foul of a sickness bug. In these instances, we always seek advice from UK Health Security Agency and make sure that all recommendations are being followed. The basic hygiene expectations have been raised again with all children and will continue to be a priority when we return after the half term break. More information is attached to the newsletter.

The wet weather on Thursday morning once again made parking and driving conditions difficult at Park Avenue. Please can I ask that you think about a 'wet weather plan' so that you either arrive at school a little earlier in time for the gates opening at 8.40am or consider a longer walk to school with wellies, rain coats and umbrellas. Once again many of the local residents were keen to share their annoyance with the gridlock on Thursday. I am unsure what the solution is. Thank to Mrs Lenton Clark who braved the rain and directed traffic to make sure that everyone arrived safely.

4T were the winning class for TTRS

6K in their Computing lesson

Riverbridge is a very diverse school with a large number of languages spoken across the 8 different year groups. We are keen to find out what we are doing well and what could be improved so that diversity and inclusion is as positive as it can be. With this in mind, can I ask you all to complete the following short survey:

[Google Form here](#)

We will use this information after half term to help hone what we have in place and what we might change. Thank you in advance.

Finally, I wish you all a very pleasant half term holiday. We will be returning to school on **Monday 19th February** with gates opening again at **8.40am**. We look forward to seeing you all then.

Stay, Play & Learn Sessions

Nursery

During the week of 4th March, we would like to invite parents to come into the Nursery to participate with your child's learning and activities. Unfortunately, due to space in the Nursery we are only able to invite one parent per child and kindly ask you to make alternative childcare arrangements for siblings. These sessions are a great way for you to spend some time experiencing how your child is learning in the nursery and for you to join in with some fun activities. Dates do book up quickly so please sign up as soon as possible using one of the Eventbrite links below when they open tonight at 6.30pm. We look forward to welcoming you into the Nursery soon.

Scopay Balances

Whole School

Please can we ask you to login to your Scopay account over the half term and clear any outstanding balances before the children return on Monday 19th February.

As a reminder, school dinners for those children in Year 3 to 6 need to be paid for in advance. Thank you for your co-operation with this.

Family Learning Sessions

Year 1

Family Learning in Year 1 is a great opportunity for a member of the family to come in and experience a lesson in their child's classroom. You will get the opportunity to watch a maths carpet time session before engaging in a range of activities with your child. These activities are aimed at recapping, developing and applying the children's understanding of place value of numbers up to 50. As always, we ask only one parent/carer for each child to attend. Please sign up using one of the Eventbrite links below that go live from tonight at 6.30pm. We look forward to welcoming you into our classrooms.

Digits Day Donations

Whole School

Thank you to everyone who donated last week to the NSPCC's Digits Day. The children had lots of fun and we raised a whopping total of £422 for this worthy cause. Thank you again for your support.

Clubs – walking home

Year 5 & 6

After half term, children in Year 5 & 6 who have parental consent to walk home alone will be able to do so after clubs.

If you haven't yet given consent for your child to walk home alone from school and would like to, you can do so via the Google Form found on our website - [here for Year 5](#) and [here for Year 6](#).

Times Tables Rock Stars

Whole School

After 4T's fantastic performance in the Lumen Learning Trust's TTRS Battle last week – being crowned Best Class - it seems an apt time to ask parents to visit play.ttrockstars.com/reset to load the latest version on your device's browser at home, or to update the Times Tables Rock Stars app from the app store. Doing so will ensure the children receive the most secure, feature-rich and enjoyable experience of Times Tables Rock Stars at home.

Volunteering Safeguarding Training

Whole School

Our next Safeguarding training session is taking place on Wednesday 6th March at 9am at our Park Avenue base and will last approximately 90minutes. The session is open to new volunteers and any parents that have started the volunteer recruitment process and are yet to attend the Safeguarding training. If you are able to attend please complete [this Google Form](#) stating your availability.

Bog Babies

Year 1

1H would like to say a huge thank you to Aadhya's mum for hand crocheting two Bog Babies to support the children's English learning this half term. The children really enjoyed reading the Bog Baby story and looking after their own Bog Baby visitors.

Survey

Nursery

We are keen to know what parents and carers feel we are doing well and what we might be able to do differently to enhance the Early Years curriculum learning. To help us with this, please can all Nursery parents and carers complete the following [Google Form found here](#).

Your answers will be used to help us adapt and enhance what we do in our Nursery. The survey will be active until Friday 23rd February.

Safer Internet Day 2024

Whole School

Across the school, we have been learning about what Artificial Intelligence (AI) is and how AI can be used for good in society. Each year group was set a task to write descriptions that would match 3 computer generated images. The children enjoyed carefully choosing adjectives to see if they could find a match when their descriptions were typed into a text-to-image creator online. The children then became the AI 'bot' and had to draw what they thought the computer would create when they were given the description 'a large orange cat sleeping under a tiny umbrella'. The children had lots of fun exploring a brand new technology type and learning about the technology of old including vinyl record players, Game Boys, CD players and rotary landline phones.

Vacancies

PTA

Whole School

Riverbridge PTA is our school's fundraising community.
Everyone's welcome to get involved.

PTA
FRIENDS OF RIVERBRIDGE

Have a great half term!

The first half of the spring term has really flown by! We would like to wish everyone a good half term break and encourage you to get involved in the activities we have lined up when we return to school. These include our Sponsored Leap during the week of 26th February (see below) and our Easter Trail on Sunday 17th March - look out for more information and tickets for the trail going on sale from 1st March.

Get ready for our Sponsored Leap

To celebrate leap year, we're running a Sponsored Leap during the week of 26th February that every child can take part in during PE lessons. The children will be able to complete challenges like hopscotch, jumping like a frog or hopping on one leg. It will be lots of fun and help the school to raise money towards this Year's £15,000 PTA fundraising target. Look out for more details and sponsor forms which went home in book bags this week.

Run the Staines 10K for Riverbridge PTA- 12th May

Thank you to everyone who has already got in touch to let us know they would like to run the Staines 10K for Riverbridge PTA! If you're thinking of taking part in the run on 12th May, you can simply select Riverbridge PTA when you register at www.staines10k.co.uk and we will help you to raise money by promotion on our channels including Facebook and this newsletter. Please get in touch with us at pta.riverbridge@lumenlearningtrust.co.uk if you'd like to run for us. See attached more information and our sponsor form.

Bag2School collection raises £161

Thank you again to everyone who donated clothes bags to our collection last week. We can now confirm that the collection raised £161 towards this year's PTA fundraising target!

Stay connected with Riverbridge PTA on Facebook at www.facebook.com/groups/RiverbridgePrimarySchoolPTA or get in touch at pta.riverbridge@lumenlearningtrust.co.uk

House Competition

Whole School

There have been two awards shared this week in what has been a busy one!

The 'Helping Others' Award saw a resounding win for Water House – 79pts. Air secured second spot (70pts) with Fire in 3rd (61pts).

The Being Our Best Awards were handed out in today's assembly – these are attached to this week's Review and are well worth a read!

The Being Our Best Cup was another victory for Water House with 19pts. Fire were 2nd (12pts) and Air 3rd (11pts).

All these additional points have been added to the totals below and Water House have a very healthy lead as they head into the second half of the year.

Can they be caught?

Gastroenteritis / Norovirus Factsheet

Gastroenteritis

Gastroenteritis refers to a condition in which a stomach bug, usually a virus, infects the gut and gives rise to symptoms such as diarrhoea and vomiting.

Norovirus

- Norovirus, also known as the 'winter vomiting bug' is the most common cause of gastroenteritis in England and Wales.
- Norovirus affects people of all ages and spreads easily from person to person.
- The virus is transmitted by direct contact with an infected person, consuming contaminated food or water or by coming into contact with contaminated surfaces or objects.

Symptoms

Sudden onset nausea, vomiting and diarrhoea, usually 1-2 days after becoming infected. Other symptoms may include fever, a headache and body aches.

Stay at Home

Stay off school or work until you have not been sick or had diarrhoea for at least 48 hours.

Recovery

- There is no specific treatment for norovirus and most people will make a full recovery in 2-3 days without needing medical assessment or medication.
- Some people (usually the very young or elderly) may become very dehydrated and require hospital admission. It is therefore important to drink plenty of fluids during the illness to avoid dehydration.
- Those with diarrhoea and vomiting should try and avoid attending A&E or their GP surgery unless advised to do so by a healthcare professional as this can spread the virus to others.

Prevention

- Good hand hygiene is essential to preventing Norovirus from spreading.
- Hands should be washed thoroughly using soap and water (not alcohol gel) after using the toilet, before preparing and eating food and after contact with a sick person. Alcohol gel is not effective against norovirus, but it can be used in addition to soap and water.
- Children should be encouraged to wash their hands after using the toilet, after play, before eating and on arrival and departure from school (to ensure they do not bring the infection to school or take it home).
- For younger children handwashing should take place under supervision to ensure proper technique.
- Any contaminated clothing or bedding should be washed with detergent at 60°C.
- Surfaces and touch points (taps, toilet flush handle, door handles) should be cleaned and disinfected with a bleach-based cleaner.
- Stay off school or work until you have not been sick or had diarrhoea for at least 48 hours.

SPONSORED LEAP 2024

Dear Parents/Carers,

To celebrate it being a Leap Year, we are holding a Sponsored Leap the week of the 26th February – 1st March 2024. This will take place during school time (PE lessons) and will not only be lots of fun but a good opportunity to raise funds for our school.

Each child will complete a series of challenges which will include but not be limited to:

- Hopscotch
- Leaping like a frog
- Bouncing like a bunny
- Hopping on one leg

As the Sponsored Leap will take place during PE lessons, there is nothing additional you need to do, just send them in on their usual PE day, wearing their PE clothes and let them leap into action!

You can sponsor your child by completing the sponsorship form attached (the form and sponsorship money should be returned to school by **Friday 8 March 2024**). Alternatively, you can scan the QR code on the bottom of this form and pay your sponsorship money online.

We would be grateful for any contribution you can make. Feel free to pass on to family and friends too.

If each child could raise £5 in sponsorship, we could raise almost £3000 towards our £15,000 fundraising target for this school year. The money we raise gets spent on extra resources, specific educational enrichment events for every single school year, and additional IT equipment.

Thanks for your continued support.
