

Sport Premium Report 2020 - 2021

				Expected Sport Premium Fund: £20,870
				Balance brought forward from 2019-2020: -£522
				Total available during 2020-2021: £20,348
Action	Cost 2019/2020	Outcome	Future Intended Impact	Future Cost 2020/2021
Sport Premium Mentor	£15,000	NQTs felt more confident in delivering PE. All other class teachers/ year groups were supported for at least one term. Unassisted lessons were observed and deemed to be Good or Outstanding. Increased engagement by children in PE lessons due to support (improved lessons) and energy brought to the subject by SPM. Assessments were carried out to obtain baseline data but due to Covid19 the scheduled Summer assessments weren't completed. Fixtures were officiated and coached by the SPM – this also included driving the minibus (see below).	Continue to manage the development of NQTs and new teaching staff. Develop all teachers' knowledge of various sports and improve their delivery of PE. Assist PE subject leader in developing a Covid19 safe scheme of work. Carry out PE Assessments and highlight areas of development.	£8,400
Sport Premium Assistant	£6,000	SPAs supported lessons and developed the knowledge and understanding of teachers and where appropriate took small groups during lessons (more / less able). Areas of expertise were utilised to develop Dance planning in KS1 / football team training. Didn't work during the summer term but were paid for their contracted hours.	Assist SPM in working with NQTs to improve their knowledge and confidence in delivering Good PE lessons. Continue to support lessons and take small groups (differentiation).	£6,200

Sport Premium Report 2020 - 2021

Sports Association Subs.	£175	Due to Covid-19 many leagues were left unfinished. Some competitive opportunities were offered to boys and girls football, dodge ball and indoor athletics.	We will continue to pay this even though competitive opportunities will be limited. The subscriptions are always reinvested so it will help in long term inter school competitions.	£175
District Sports	£50 (Entry) £160 (Travel)	Due to Covid-19, the event could not take place. The money that wasn't spent got reinvested back into the Sport Premium fund.	The plan would be to attend the event if it goes ahead in the Summer Term. Competitive opportunities for our most able students.	£50 (Entry) £160 (Travel)
Sports Crew Training	£50	We decided to do some internal training for Play Leaders. The money that was not spent was reinvested back into the Sport Premium fund.	We will internally run training for Play Leaders and Yr6 pupils who will assist on Sports Day. This will have to take place once 'bubbles' can mix again.	Sport Premium Mentor
Staff CPD	£200	No Staff attended any external CPD. A review was carried out but didn't highlight any real areas of development. No courses ran throughout the Spring or Summer Term. The money that was not spent got reinvested back into the Sport Premium fund.	Highlight areas of development in the curriculum and send staff on appropriate training. Develop their teaching but also feedback and share with the other teaching staff.	£200
LLT Minibus	£800	This was paid for most of the year but due to the increased spend on support staff it was agreed that the school budget would take this cost on.	Depending on minibus usage for sport, some of this cost may be taken back on. This spend will be calculated on mileage.	£500 est.
LLT Competitions	Minibus	These events were limited due to Covid-19 school restrictions.	Introduce virtual competitions with the other Trust schools. Competitive opportunities when possible.	Subject Leader Release Time/ Minibus

Sport Premium Report 2020 - 2021

Daily Run	Subject Leader Release Time	We once again ran a really successful Daily Run challenge. Some year groups benefitted from it more than others. Run's were used as a w/u in PE and to punctuate other lessons - 'brain break'.	To continue with the Daily Run for all year groups. Set up a virtual competition between the Trust schools.	Subject Leader Release Time
Equipment / Resources	£175	Review of equipment showed additional resources were needed to improve lessons.	Review equipment in September to ensure Covid19 safe lessons can take place. Review again when 'bubbles' can mix again.	£200
NB. The Remaining Amount will be assessed again in January – more equipment might be needed once bubbles can mix again and additional resources can be used.			<i>Estimated Spend</i>	<i>£15,885</i>
			<i>Remaining Amount</i>	<i>£4,463</i>
