BREAKFAST CLUB AND AFTER SCHOOL CLUB

Our Breakfast and After School Clubs are run by Riverbridge staff, many of whom also have roles in school during the day. In this way we are able to offer a consistency and continuity of provision, as the staff and children know each other well and share the same expectations as during the school day.

At Riverbridge Breakfast and After School Club we are committed to providing

- A positive start and finish to the children's day
- A safe environment, where children feel valued and welcomed
- Staff who are qualified and committed to the School ethos

A schedule of exciting and varied activities are devised for the clubs. Children can join in with the planned activities or take time to do their home learning.

Before and after school care at Riverbridge is very flexible and reasonably priced. Children have a choice of breakfast within the Breakfast Club and light snacks within the After School Club.

Places are limited within both clubs and must be booked in advance to ensure we have the correct staffing levels to enable us to fulfil our safeguarding expectations.

Parents wishing to use the Breakfast Club and/or After School Club are asked to carefully read the information and terms and conditions in this booklet, which are reviewed annually. There may be occasions when changes to terms and conditions occur prior to the annual review, parents will be notified of any material changes in writing and may be asked to sign and return an acknowledgement.

Riverbridge Primary School is committed to Safeguarding and promoting the welfare of children. To achieve our commitment, we will ensure continuous improvement and development of robust Safeguarding processes and procedures that promote a culture of Safeguarding amongst our staff and volunteers.

BEHAVIOUR

The Breakfast Club and After School Club staff encourage the children to respect themselves and others in a relaxed friendly environment with clear expectations and boundaries. We use the Stay On Green approach for behaviour that is used throughout the school. I understand that if my child contravenes the expectations of Breakfast Club and After School Club it could result in exclusion from the club

STAY ON GREEN

- All the children have the opportunity to make positive choices about their behaviour and influence outcomes within the Breakfast and After School Club.
- The children who regularly follow the rules of the Breakfast and After School Club are noticed and rewarded.
- The Breakfast and After School Club follow a consistent system which is used through the children's school day.
- The system promotes a less intrusive approach to the management of behaviour
- The Breakfast and After School Club will implement the same consequences that are used within the main school. This includes the coloured warning system of blue and yellow and red for reflection time.

Further information can be found on our school website
