- We will be allocating places to ensure that as many children as possible can participate and will try and take into account the preferences. Please look carefully at the Year Groups each club is available to.
- We expect the same excellent standards of behaviour from the children during the clubs as we do at school. This means that any child who does not meet these high expectations will be spoken to, as will the parents and this may lead to the child being asked to leave the club.
- Please do not make any payments until you have been told which club(s) your child has a place in. You will also be able to pay using Childcare vouchers, please speak to the school office to check that the provider you use is registered with us. **If you do not wish to take up a place that has been offered you must let us know before the club starts or you will be expected to pay the full amount. There will be no “taster” sessions**
- Children should not bring a snack or drink to any of the clubs. They will use the water bottles that they bring to school to drink from.
- It is not possible to watch the clubs as it is distracting for the children. Please do not arrive to collect the children more than five minutes before the end of the club.
- On occasion staff may have to cancel a club at short notice. We will always endeavour to reschedule the session at a later date either during school time or after school on the same day. However, if we cannot reschedule the session a credit for that week will be transferred to a club of your choice the following term.
