

Pupil Voice Survey 2021 - 2022

The findings from the survey will be used to drive Class Council meetings; and the work that the School Council and the Pupil Leadership Team (head boy/girl/deputy head boy/girl) will undertake this year. This will help to improve the pupil experience at Riverbridge and uphold our 8 Great Ways of Being our Best! Please find below the results taken from 66 responses:

**School Council to think of break time/lunch
time clubs so that all children feel they can
access a club. Ideas include: dance at break
time and art at lunchtime.**

What is going well:

- Most children are happy at school.
- Teachers help us to be our best.
- School encourages us to understand and respect diversity and include us all.
- School promotes kindness and feeling valued.
- We are responsible and are ambitious to take on more!

Even better if...

- we recognise good behaviour and what that looks like
- school could find ways of encouraging us to make healthier choices
- we could understand what bullying behaviours are, how to deal with it and what the consequences are.
- we could provide more clubs for us to take part in, maybe during lunchtime.

If you could describe our school in one word, what would it be?
